## INDEX OF SUBJECTS

Accident, Time sense during,

Adam

- creation of
- dominion over the earth

Alexandrian school of Theology

American Indians (see also Dakota, Hopi, etc.)

- burial customs
- And, special meaning of

Angels

- creation of
- do not multiply by propagation, each one a species
- fallen
- materialization of
- as ministers
- personal identity of
- and pseudo time
- and time

Animation of nature

Anoxia and time sense

Anti-omega-minus baryon particle

Apostles Creed

Apocrypha

- see also under Gospel of, Testament of, Book of,

Arabian sects

Arianism

Armenian sects

Athleticism

Atomic clocks

Atonement, day of

Australian aborigines, Totemism among

Automaton, Man as a

Azazel

Bach (toccata)

Behaviourism

Bible

- consistency of
- types of information in

Biological clocks

Biology, and mechanism

Body

- body-type and temperament
- conflicts with the spirit
- corrupts the spirit
- "deeds done in the"
- details of, the new
- essential to consciousness
- essential to immortality
- fitted to the soul
- Greek view of
- importance of denied
- importance of in heaven
- as instrument of the soul
- low estimate of, by Greeks
- as a machine
- of Moses, special treatment of
- necessary to conscious existence
- pampering of
- as personal property
- to be presented to God
- redemption of
- relation to soul
- resurrection of the
- resurrection of, essential to life
- as seat of original sin
- temperature and time
- transformation of

Bohu and Tohu

Book of Enoch

Brain

- chemical pacemaker in
- as a computer
- conditions the mind
- consciousness, an epiphenomenon of
- effect of temperature on speed of operation of
- as the instrument of the soul
- operations performed on epileptics
- in relation to mind
- soul an epiphenomenon of

- temperature and time sense
- Burial of Moses
- Candy chewers (two schools of)
- Capital punishment vs. life imprisonment
- Captivity captive
- Cerebral idealism
- Cerebral silence
- Cell. Chemical components of
- Cell division, rate of
- Cesium
- Cherub, artistic creations
- Christ. See under Jesus Christ
- Childhood. Sense of time in
- Clock Paradox
- Clocks
  - atomic
  - Chinese mechanical
  - increasing refinement of
- Cogito ergo sum
- Consciousness
  - autonomy of, established
  - and continuances, differentiated
  - factors influencing
  - as a spin-off of brain
  - as static of brain cell activity
  - without embodiment
- Coma. Effect of, on willed action
- Computer. Brain as a
- Cosmological Principle
- Cosmology. See also under Universe
  - of Western world
- Counting. Time taken for, under hypnosis
- Creation
  - of Adam
  - ex nihilo, a difficult concept
  - "out of nothing", a difficult concept
  - relation of time to
  - repugnant to scientists
  - ten things done on Day of
  - of time and matter simultaneously
  - time began with

Crucifixion

Dakota Indians, concept of time and eternity

Darkness, Effect of,

- on time sense
- during the crucifixion

Day of Atonement

Death

- actually not experienced
- as body minus spirit
- as exit or entry
- as "graduation"
- not cessation by separation
- not to be equated with annihilation
- not tasted
- out of time and into eternity
- as a remedy for sin
- and resurrection, co-terminous
- rules governing certification of
- as a separation of body and spirit
- as a sentence on man
- shadow of, turned into mourning morning

Determinism

Dichotomy

Dives and Lazarus

- situation of
- story of, as basis for Intermediate State

Divine Comedy

"Double Consciousness"

Drugs. Effect of, on time sense

Dualism

Earth. Determining the motion of

Education, a hindrance to spiritual perception?

Electrode stimulation of brain

Embodiment (see also Incarnation)

- angels occasionally assume
- of demons
- description of new body
- to enhance happiness or misery?
- essential to consciousness
- essential to personal identity
- importance of, for humanness

- in heaven
- man to retain it for ever forever
- not natural for angels
- and self-consciousness

Endowment, genetic

Engrams

Entropy

Epilepsy

Eschatology

Eternal death

Eternal life

- as immortality

Eternal punishment

Eternity

- Augustine's concept of
- contrasted with time
- an extension of time, E., not as
- Hindu view of
- Luther's concept of
- the "mathematics" of
- relation of time to
- time as a position in
- as a vertical dimension

Ether

- concept of
- concept of lumiferous
- properties of

Excitement, time during

Expanding universe

Extensity vs. intensity

- of punishment

Fall of man

- effects of

Fear, time during

Fever, time during

First-fruits, Christ as the, from the dead

Fit between body and spirit

Flesh. See under Body.

Flesh and blood, meaning of

Fragmentation of time

functions of man

future and present fused

Future tense

- Augustine's reflections about
- God's use of
- Hebrew use of
- Native use of

Genetic endowment ordained of God

Ghost in the machine

Giants

Gnostics

Gospel of Lazarus?

Gospel of Nicodemus

Graduation. Death as

Grave

- as a prison
- silence in the

Gregorian Calendar

Growth rate, and time sense

Guillotine

Guilt, and relation to time factor

Hallucinogenic drugs

Hashish

Hebrew language lacks a future tense

Hibernation

High altitude. Effect of

Hindu view of

- eternity
- reincarnation

History, linear and cyclical

Hope, in suffering

Hopi Indians

- ideas about time
- use of future tense
- world view

Human nature corrupted in Adam

Human spirit of the Lord

Hyphenate constitution of man

Hypnosis, and time sense

Identity. Meaning of

Image. Nature of the, in Adam

Immortality

- depends on bodily resurrection
- to eclipse mortality
- equated with resurrection of the body
- as eternal life
- a Greek concept
- partial definition of
- requires union of body and spirit
- of the soul

Incarnation. See also under Embodiment

- of Jesus Christ
- pre-incarnation of Jesus Christ

Inconceivable, yet true

Incredible, but true

Indians. See under American, Dakota, Hopi, etc.

Infinity

- relation of number to
- use of circle for

Inspiration, verbal

Insurance, a Western idea

Intensity vs. Extensity

- of punishment

Interaction(ism)

- mode of, a mystery
- interim between death and resurrection
- eclipsed

Intermediate State

- scenarios of pagan origin
- as a stupor?

Isolation. Penalty of total.

Jargon. Use of scientific

Jesus Christ

- capacity for punishment
- manhood to be retained for ever forever
- sensitivity of, total
- as a sin-offering
- two natures in
- voice of, recognizable

Jordan River (see also in Name Index)

- crossing of, as symbolic
- as a symbol of death

Judgment

- of Christ
- nature of pre-trial judgment
- of sheep and goats alike

Justice. Time fraction in relation to

Language and ideas

Last Day

- as day of individual dying

Life imprisonment vs. capital punishment

Life work ordained of God

Life-span of man

Light

- constancy of speed of
- corpuscular theory of
- matter as bottled or congealed
- pellet theory of
- speed of
- wave theory of
- as yardstick of universe

Logic. Limitations of

Longevity

- in antiquity
- relation of, to rate of acceleration

Lumineferous ether

Magnitude. Relativity of

Making alive vs. resurrection

Man

- as an automaton
- as bridge between two worlds
- not is a computer, but has one
- as a hyphenate being
- as manager of the earth
- as the measure of all things
- as a psychophysical unity
- valued for his functions only

Man vs. woman. Time sense of

Manhood, true and perfect, defined

Manifesto of nineteenth century biologists

Marijuana

Material vs. spiritual world view

Materialism

- obsessed with physical life

- obsessed with value of time

Matter

- coincident with space and time
- as congealed or bottled light
- as spirit (Weiszacker)
- as waves

Maturing rate

Me/it vs. me/thou relationship

Mechanism

Medicine See Medical Practice

Medical practice as technology

Meson

Memory, and brain stimulation

Michelson-Morley experiments

Millennium

Mind

- autonomy of, established
- brain as conditioner, and necessary to
- as an epiphenomenon of matter
- in relation to brain
- renewing of, in conversion

miracles of the lord

Monad defined

Monism

Morals reduced to mores

Motions. Effect of, on time rate

Motivation. Test of moral action

Mount of Transfiguration

Nakedness as symbol of disembodiment

Native(s)

- future tense infrequently used
- live in the present
- sense of space
- view of time
- world view

Natural vs. supernatural world view

Nature

- forces of, as characters
- forces of, as wills
- obligations of

Necromancy

Nether world

Neurophysiology (See also under Eccles, Penfield, and Sherrington)

- modern trends in

New heaven and new earth

Nilotic Negros. Time sense of

Now and nowness

Nuer. Time sense of  
 Number, in relation to infinity  
 Original sin  
 Pain. Time during  
   - time of, vs. intensity  
 Paternal sperm  
 Penalty  
   - nature of Christ's suffering  
   - relation to time factor  
 Permanence as final criterion of reality  
 Personal identity. Bodily existence essential to  
 Personhood. Body and spirit required for  
 Photons. Effect of, on photographic plate  
 Physical and spiritual world, man straddles both  
 Physical reality  
   - and the metaphysical  
   - and the supernatural  
 Physicalism  
 Platonism (see also under Plato)  
 Pleasure. Passage of time during  
 Pre-trial judgment  
 Primitive people. See under Natives, Indians.  
 Primitive world view  
 principle of Constancy  
 Privilege and responsibility to be linked  
 Progeria, progeriacs  
 Prophecy as foresight only  
 Proto-time  
 Pseudo-time  
 Psychological vs. chronological sense of time  
 Psychology  
   - as a branch of physiology  
   - non predictive nature of  
   - value of, uncertain  
 Psychopannychia of John Calvin  
 Punishment  
   - factors determining length of  
   - and intensity vs. Extensity  
 Purgatory  
 Rabbinical lore  
 Rapture

Reality, and time required to establish  
 Redemption of the whole man  
 Reductionism  
 Reformation  
 Reincarnation  
 Relativity of Time  
 Renaissance  
 Research, Instruments for  
 Responsibility and privilege to be linked  
 Resurrection of the body
 

- to enhance happiness or misery?
- equated with immortality
- nature of the Lord's
- reality of the Lord's
- and resuscitation
- vs. making alive

 Return of the Lord. See under Second Coming  
 Scapegoat  
 Scientific method
 

- depends on quantification

 Scripture
 

- consistency of, with itself
- types of information in

 Second Coming of the Lord  
 Secular vs. sacred world view  
 Seventh Day Adventism  
 Self. Conditioned by the brain  
 Self-consciousness
 

- not essential to continuance of personal identity
- as a unified experience

 Sensitivity
 

- of Christ, total
- and punishment

 Sex of individual and time sense  
 Sin offering, Christ as a  
 Size
 

- relativity of
- and sense of time

 Sleep (See also Soul sleeping)
 

- sudden disturbance of, dangerous

 Slow motion, as an effect of drugs

## Soul

- as agent of all purposeful activity
- ambiguous condition of, disembodied
- not amenable to measurement
- not applied to angels
- autonomy of, admitted by scientist
- body plus spirit equals
- common concepts of
- as co-ordinator of bodily functions
- not created sinful
- dependent upon the body
- evolutionary origin of
- fitted to the body
- immortality of?
- immortality of, a monstrous opinion
  - a precarious doctrine
- impersonal when disembodied
- incomplete without the body
- not inherently immortal
- natural immortality of, approved
- origin of
- reality of, denied
- rebirth of
- in relation to body
- source of injury to
- supernatural origin of
- unconscious without the body

## Soul sleeping

- a non-fundamental doctrine

## Soul-stuff

## Sovereignty of God

## Space

- common concepts of
- non-existent before creation
- time, a dimension of space
- and time telescoped

## Speculation. Value of

## Speech. Effect of high altitude on

## Spirit

- conflicts with the body
- as co-ordinator of bodily functions

- corrupted by the flesh
- Spirit/body, as paradigm of divine interaction
- Spirits in Prison
- St. Lawrence river in flood
- Starvation and time sense
- Statute of Limitation
- Sun
  - blocked out for three hours
  - as a clock
- Tape recorder concept of time
- Tartarus
- Task and talent
- Temperament and body-type
- Terminology. Place of, in clarification of ideas
- Testament of Reuben
- Testament of the Twelve Patriarchs
- Tetelestai
- Theory of Relativity
- Thirty-nine Articles
- Thought as a function of matter
- Thomistic Psychology
- Three hours of darkness
- Time (and time sense)
  - Augustine's thinking about
  - beginning and end of
  - beginning, a difficult concept
  - biblical reflections on
  - body temperature and
  - brain temperature and
  - cessation of
  - contrasted with eternity
  - and change
  - in childhood
  - and creation of matter, simultaneous
  - and delay of penalty
  - determined by events
  - a dimension of space
  - drugs and
  - during accidents
  - during excitement
  - during fear

- during pain
- during pleasure
- effect of darkness on
- emphasis on waste of
- the end of
- an epiphenomenon of space
- events ordered by importance, not by time
- factors governing perception of
- in fever
- flow rate flexible
- fragmentation of
- Greek word for
- as a horizontal dimension
- how long for real existence
- hypnosis and
- influence of size on
- insects' view of
- kinds of: proto-time

#### Pseudo-time

- Luther's concept of eternity vs. time
- man vs. woman, sense of
- monetary value of
- non-existent before creation
- non-temporal ordering of events
- objective flow rate of
- poisons and
- as a point of interaction with eternity
- as a position in eternity
- psychological vs. chronological
- real time, non-existent
- related to matter
- relation to eternity
- relation to movement
- relation to movement through space
- relativity of time
- sex and
- spending-value of
- starvation and
- and Statute of Limitations
- in trance
- value of, increasing

- variable flow-rate of
- Tohu and Bohu
- Torture
  - isolation, a form of
  - of the soul
  - time awareness during
- Totemism
- Trance time
- Translation
  - of Elijah
  - of Enoch
- Two witnesses
- Ultra-spirituality. Dangers of
- Underworld (see also Nether World)
  - descent of Christ into
- Universe (see also under Creation)
  - concept of a beginning, difficult
  - entropy in the
  - expansion of
  - nature of the New Universe
  - running down of
- Watchmen
- Wealth. Accumulation of
- Western Culture
  - and division of time
  - the ethos of
- Western Man, lives much in the future
- Will
  - comparative impotence of human
  - and delayed action
  - forces of nature as
- Will power, experimentally demonstrated
- Witch of Endor
- Woman's vs. man's sense of time
- Womb. Earth as symbol of

THE END
